Alumnus Spotlight: Igor Pavlo

Class of 2013, Risk Management and Insurance
 Nationwide, Senior Underwriter - Middle Market

Igor Pavlo is a Marine Corps Veteran and a proud graduate of Temple University's Risk Management and Insurance Program – class of 2013. He can honestly say that earning this degree has been one of the best things he has ever done for himself. After graduating, Igor went on to work at Travelers as an Ocean Marine Underwriter. This was an amazing experience, as that field is truly unlike any other, with exposures and risks not regularly seen in the standard P&C space. In 2015, Igor had an opportunity to take a position at Nationwide Insurance's Middle Market Department. In his current role, he handles larger and more complex accounts, with an average premium size of about \$65,000. Igor gives back to Temple's Risk Management and Insurance Program by participating in the Alumni Student Mentorship Program. He currently resides in Bucks County with his wife and two children, ages 8 and 2.
