Philly I-Day Happy Hour

Alumni Affairs recently hosted a Happy Hour at the Field House Philly on April 28th. The venue hosted five students, 14 alumni,

one officer and one faculty member. At the same time of the event, St. Baldrick's Foundation, a volunteer-driven charity that funds more in childhood cancer research grants than any organization except the U.S. government, hosted a charity event in which some of our alumni participated in by shaving their head. NextGen also held a happy hour at the Field House at this time. The event provided a great opportunity for alumni and current students to network.
