ACTUARIAL SCIENCE INTERNSHIP CAREER RECEPTION

The **Actuarial Science Internship Career Reception** is being held on **Friday, January 31st, 2002!!!** It has come to our attention that there is a significant number of Actuarial Science majors who *are* paid members and have *not* completed all the Resume Book requirements. This effectively prohibits you from being included in the Resume Book and is an extremely ineffective return of your \$90.00 dues payment investment.

Fear not, there is still hope!!! We will be holding our last **Mock Etiquette Workshop** on **Tuesday, December 10th, 2002**. The Sigma Chapter's Vice President of Career Placement, **Stephanie Garcia** <sgarcia@temple.edu>, is currently working to schedule the room with Student Activities. She will be announcing all pertinent information as soon as it is known to us, so check your email for the latest news. We are currently scheduling **Mock Interviews** as well that will taking place over the winter break, so be sure to sign up with **Michelle Henry** in **Room 401 of Ritter Annex**, and take the first opportunity to complete this requirement when the dates and times are announced.

GRADUATING SENIOR OFFICER HIGHLIGHT

STEVEN ZICK

Steve Zick became an officer in the Fall Semester of 2001. He has worked as the **Director of Finance** for his entire tenure with the organization. Steve quickly became an integral and indispensable part of the Financing operations of the Sigma Chapter, and quickly became part of the officer family as well. Steve has interned with Towers Perrin's Benefit Administration Services Division in New Jersey during the summers of 2001 and 2002. He has also passed the first two Certified Employee Benefit Specialist Exams (CEBS).

Steve has worked very hard fulfilling his duties as a student, an officer, a member of the insurance industry and also a father. It has been inspiring working with him and we are all very proud of what he has accomplished. We have all grown to love and respect Steve very much and we wish him all the success and happiness in the world!!!
