A Message From President Adam Keylin:
Welcome Back Spring 2024!

Sigma Chapter,

I hope you all enjoyed a happy and healthy Winter break and are excited to return to classes. It is my honor to continue serving as your Sigma Chapter President this Spring. Our 39 officers have worked hard to bring you a semester full of interesting industry speakers, engaging career opportunities, fun social events, and strong community engagement.

The H. Wayne Snider Distinguished Guest Lecturer Series returns with a renewed theme of **“Powerful Women in Risk,”** our first all-women speaker series since 2016! The series will build on our existing corporate partnerships and introduce new connections with PHLY, Lockton, Google, Comcast Spectacor, and more. I hope you take the opportunity to learn from these accomplished professionals and meet them at our networking luncheons following the events.

Our Risk Management and Actuarial Science Career Development Committees have arranged excellent workshops and committee speakers designed to expose you to distinct areas of the industry. The RMI Intern Career Reception in February will provide you with opportunities to apply this knowledge in a real business environment.

Our Student Affairs and Community Affairs teams have fun and impactful events planned for you this semester, including sporting events, campus cleanups, community engagement events, our 45th semi-annual Gamma Games, and our 33rd annual Gamma Gala. We look forward to continuing to raise money for our Charity of Choice, Connect Thru Cancer, which provides support to individuals and families living with a cancer diagnosis.

The Fall semester was strong with unique speakers, two valuable career receptions, fun social events, and excellent community engagement. However, I am confident that the Spring semester will build on these and contribute to the Sigma Chapter’s Tradition of Excellence.

I hope to see you all at our First Organizational meeting on Wednesday, January 24, 2024, at 12:00pm in Alter Hall Room 31, where you will hear more about the Sigma Chapter’s plans for the semester.

Fraternally yours,

Adam Keylin
President
Gamma Iota Sigma — Sigma Chapter

First Organizational Meeting

Wednesday, January 24, 2024

12:00 p.m. - 12:50 p.m.

Alter Hall A031

Join us at our first organizational meeting of the Spring 2024 semester! We will be discussing the Sigma Chapter’s upcoming events and plans for the Spring Semester.

Charity of Choice: Connect Thru Cancer

The **Sigma Chapter of Gamma Iota Sigma’s Charity of Choice for the 2023-2024** academic year is **Connect Thru Cancer**, a charity aimed at supporting families with a cancer diagnosis that occurs in adulthood. Through a number of different services and support channels, Connect Thru Cancer aims at alleviating stress from diagnoses and treatments by creating time for families to recharge and reconnect.

This year will mark the first year that the Sigma Chapter has supported Connect Thru Cancer. The Sigma Chapter looks forward to reaching its donation goal and getting involved with the charity.

If you are interested in donating to Connect Thru Cancer, please Venmo @sigmachapter. The payment description should consist of your email and ‘Charity of Choice’.

Join the Risk Actuarial Development Program!

All Risk Management and Actuarial Science majors are eligible to earn points through RAD on Suitable which count towards the Fox Leadership Development Program (FLDP). Look out for emails from our Membership Team (membershipteam.gis@gmail.com) for information to register!

Sigma Chapter Canvas Site

Keep updated on Sigma Chapter events with our very own Sigma Chapter Canvas Site! Use this resource to find information about our meeting times, forms, and our weekly newsletter, Risky Business! If you do not have access, contact the Membership Team (membershipteam.gis@gmail.com).
