Charity of Choice Update: Brave Hearts for Strong Minds

\$1,290

\$15,000

At the beginning of the semester, the Sigma Chapter pledged to raise \$15,000 for the charity Brave Hearts for Strong Minds by the end of the 2015-2016 academic year. Brave Hearts for Strong Minds provides college funds to children who have lost their income-bearing parent.

Thus far we have raised \$1,290. This progress was made possible by the hard work of the Community Affairs Committee and the generosity of all our members. Keep up the good work!
