1st Annual FOX-Hole Tournament
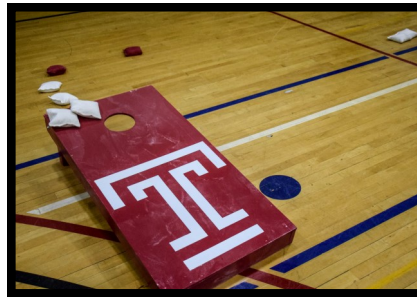

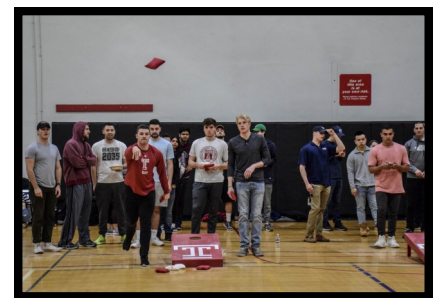

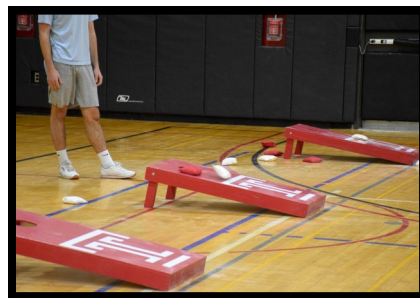

March 27, 2019

On Saturday, March 23, 2019, the Sigma Chapter of Gamma Iota Sigma started a new tradition by hosting its **1st Annual FOX-Hole Tournament**!

This new social event was designed to bring together all the different Student Professional Organizations within the Fox School of Business. Students paired up in teams of 2 in Pearson Hall for this double elimination corn hole tournament. **18 teams** competed in the bracket to show off their corn hole skills and support our Charity of Choice, Gift of Life Family House. All of the proceeds from registration fees will be donated to the charity, contributing to our goal of **$15,000** for the academic school year!

Congratulations to **John Callahan and Daniel Young** for becoming the very first FOX-Hole champions! They won bragging rights and $150 in Visa gift cards. **Charles Ghiazza and Trevor Sersch** won the second place prize of $50 in Visa gift cards.
