At the beginning of the Fall 2012 semester, the Sigma Chapter of Gamma Iota Sigma chose ESF Dream Camp as its Charity of Choice for the 2012-2013 academic year, pledging to donate \$7,500. Since that announcement, the Sigma Chapter has increased its donation goal to \$10,000. The Community Affairs committee, under the direction of Vice President, Jessica Kearney and Directors, Jamal Lee and Patrick Jackson, managed to reach this ambitious goal with the help of members, faculty, and alumni by organizing charity raffles, bake sales, and signature social events such as the annual Date Auction and Beef 'N' Beverage. The \$10,000 dollar donation will go towards helping ESF Dream Camp to improve their award winning program that provides education, sports and fun to help encourage kids to achieve their dreams!
