25th Semi-Annual Gamma Games

On Wednesday, February 12, 2014, over one hundred new and returning Sigma Chapter members gathered in Pearson Hall for the 25th Semi-Annual Gamma Games. The structure of the games was updated to a play-off style tournament. After four intense rounds of Dizzy Bat Sack Race, Hula Hoop Pass, Show Jawn, and Pizza Pig Out, teams were seeded and filtered into the knockout stage of the tournament. The winners of Tug of War were thrown into the fiery Dodge Ball rectangle to determine the winner of Gamma Games. As the madness settled, one team that goes simply by Team Goosebumps emerged as the true Gamma Games Champions. Team Goosebumps was led by Steven Costa, while his supporting cast was made up by: Chris Rockelman, Bryce Aichele, Roni Ceaser, Rick Fields, Wadea Alkassir, Xiaogian Bi, Robyn Peel, Alex Troutman, and Chi Nguyen.
