Actuarial Science Workshop:

Intern Presentations

Friday, February 5, 2016, 12 PM-12:50 PM, Alter Hall 031

The Intern Presentation workshop is a valuable workshop in that it allows us to hear from our peers their experience as an Intern. Our presenters, Sean Miller, Marsh; Bonnie Centrone, Excellus Blue Cross Blue Shield; and Owen Meiman, Milliman, will discuss how they got their internships, their daily responsibilities, the perks and the drawbacks, the company atmosphere, and an overall evaluation of their experience. As you are looking forward toward your career, the information from this workshop will give firsthand insight into the world of actuary.
