PRESS RELEASE

2nd Annual Fox's Got Talent

March 30, 2016

On Thursday, March 24, 2016, the Sigma Chapter hosted the Fox School of Business' 2nd Annual Fox's Got Talent in the Howard Gittis Student Center. This event was created in an effort to bring together all of The Fox School's Student Professional Organizations for a night of entertainment! Students volunteered to perform their various talents on stage in front of their peers! There were many acts ranging from rapping to belly dancing and singing. With an intimate crowd of about 85, the evening was filled with laughs, sing alongs, calls for encores, and plenty of applause! The Sigma Chapter was proud to host this event for the second year in a row. While it was free to attend the event, the Sigma Chapter was able to collect donations and hold a 50-50 raffle benefiting it's   2015-2016 Charity of Choice, Brave Hearts for Strong Minds!
