## 38th Semi-Annual Gamma Games

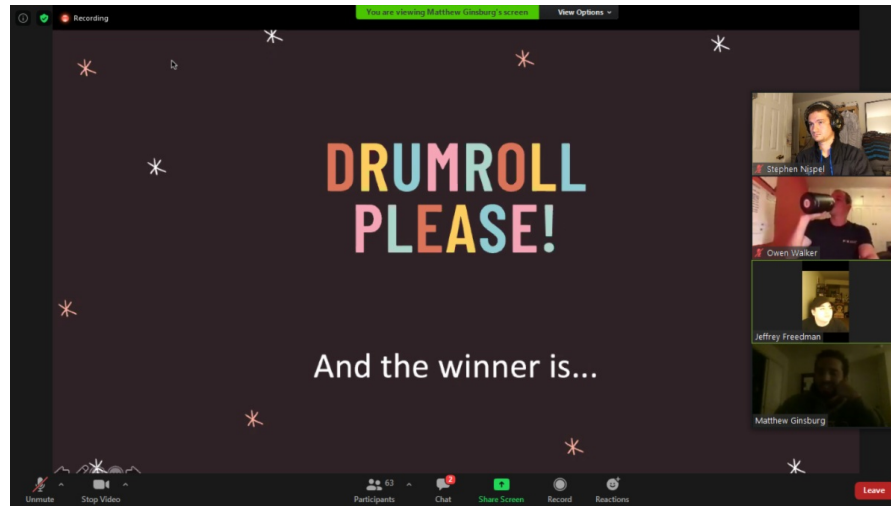

Tuesday, September 29, 2020

On Wednesday, September 16, 2020, the Sigma Chapter of Gamma Iota Sigma held its 38th Semi-Annual Gamma Games virtually via Zoom. This semester's theme was Trivia!

The events consisted of five rounds of intense trivia where members were split up into teams and had their knowledge of sports, movies, history, and pop culture put to the test.

It was through their quick wits and abundance of knowledge that the **Breakout Room 2** defeated their competition and earned the title of the 38th Semi-Annual Gamma Games Champions! Our winning team consisted of **Christopher Pierno, Jamal Evans, Benjamin Hakun, Allyn Stallone, and Erika Nirenberg**. Thank you to everyone who helped make this event a success and we hope you made a couple friends in the process!
