Charity Bake Sale St. Patrick's Day!

Friday, March 11, 2016, 9:00 AM–3:00 PM, Alter Hall Lobby

Did you know that there are 34.7 million residents in the United States with Irish ancestry? What makes this even crazier is that that number is more than seven times the population of Ireland itself! Now, the Sigma Chapter isn't promising a pot of gold, but if you follow the rainbow to this week's charity bake sale, there is sure to be a sweet treat! Again, all proceeds go to benefit our 2015-2016 charity of choice, Brave Hearts for Strong Minds! Help us reach our donation goal of \$15,000!

RMI Workshop:

Insurance Ethics

Friday, March 11, 2016, 12:00 PM–12:50 PM, Alter Hall 033

March 1st begins Insurance Ethics month. Everett Randall, the ethics complaints coordinator for the American Institutes for CPCU, will speak to students about the importance of ethics in the Risk Management and Insurance field. Mr. Randall will talk about the most common ethical dilemmas that face professionals in the field and how best to determine the ethical course of action. This workshop is a great way to hear how the ethical concepts we learn in class can be used and applied to our future careers.
