<u>3rd Annual Fox's Got Talent</u>

March 28, 2017

   On **Thursday, March 23, 2017**, the Sigma Chapter hosted the Fox School of Business' **3rd Annual Fox's Got Talent** in the Fox-Gittis Room in the Liacouras Center. This event was created in an effort to bring together all of the Fox School's Student Professional Organizations and give them an opportunity to showcase their talents! In addition to the Sigma Chapter, members from organizations such as Business Honors Student Association and the Association for Information Systems were in attendance and took part in the competition! There were many performances including belly dancing, prop rapping, guitar playing, and sing-alongs. With an intimate crowd of 87 students, the evening was filled with laughs, cheers, calls for encores, and thunderous applause! Congratulations to our winners– Inmotion Dance, for an outstanding hip-hop performance. The Sigma Chapter was proud to host this event for the third year in a row and appreciates the other two organizations for their help and involvement. While it was free to attend the event, the Sigma Chapter was able to collect donations and hold a 50-50 raffle benefiting it's 2016-2017 Charity of Choice, Artz Philadelphia!
