Tuesday, March 19, 2024

On **Wednesday, March 13, 2024**, the Sigma Chapter of Gamma Iota Sigma held its 45th Semi-Annual Gamma Games in the Howard Gittis Student Center. This semester's theme was **Musical Melodies** and each team of students represented different songs, artists, and albums! The teams included the Blue Suede Shoes, Red (Taylor's Version), Something in the Orange, Green Day, P!nk, Black Sabbath, Purple Rain, and Yellow Submarine.

The games commenced with a **Freeze Dance**, which had members breaking down on the dance floor to music and freezing in a split moment, with the last member standing bringing home victory! Competitors showed intense concentration, endurance, and flexibility for **Relay Races, Cornhole, Spoons, Musical Chairs, Finish the Lyrics, Guess the Song, Trivia, Uno, and Limbo**. The games ended with a Philly Style pizza feast!

Through their consistent effort and athleticism, **Purple Rain**, emerged victorious and earned the title of the 45th Semi-Annual Gamma Games Champions! Our winning team consisted of captain **Caroline Adamsky** and team members **Erin Berger, Hayden Flanagan, Ankit Patel, Evelyn Richards, and Hannah Suh**.

For her dedication to her team in all events, and for her outstanding performance in musical chairs and finish the lyrics, **Evelyn Richards** was named this semester's Gamma Games **MVP**!
