Sigma Chapter Attends the 49th Annual Gamma Iota Sigma International Management Conference

Tuesday, October 13, 2020

From Thursday September 24, 2020 to Friday, September 25, 2020, Sigma Chapter officers and advisors gathered virtually to attend the 49th Annual Gamma Iota Sigma International Management Conference. Attendees from chapters across the country experienced an extensive agenda which included a career fair, educational and leadership sessions, and keynote speeches.

At the Annual Awards ceremony on Friday evening, the Sigma Chapter earned 6 **International Chapter Awards** for its achievements in **Alumni Relations, Chapter Management, Community Service, Diversity & Inclusion, Membership Development, and Public Relations**. In addition, the Sigma Chapter was one of seven chapters recognized as a **Superior Chapter** for excelling in all functional areas and providing exceptional experiences for its members. The Sigma Chapter also won a **Black and Gold Award**, which recognizes new projects and programs considered creative and successful only through extensive planning and organization participation. This award was given for the **New Actuaries Meeting Each other (NAME)** program, where incoming actuarial science majors can meet and build relationships with one another as new students. Sigma Chapter was also a recipient of the **GammaSAID Award** for solutions in promoting authenticity, inclusion, and diversity.

Individual Awards were also presented during the ceremony and given to a Sigma Chapter member. **Kylie Persons** (Class of 2020), former Vice President of Professional Development for the Sigma Chapter, was awarded the **Thomas J. Miles Award**. This award is given to a member that best represents the qualities of scholarship, leadership, character, and service.

Kylie Persons
Class of 2020

The Sigma Chapter is proud to be recognized for its achievements during the 2019-2020 school year and extends a thank you to its members, advisors, other supporters in the Risk Management, Insurance, and Actuarial Science department, and The Fox School of Business.
