Graduating Students Send Off—Steven Costa, President

Graduating Students,

You are some of the most talented people I know, and throughout the challenges you've faced in the last several years, I trust you have made it a rewarding experience. Think back to your first day at Temple University; the energy in the air, and the excitement to begin a new chapter in your lives. As you fast forward to graduation and beyond, think for a moment about the people you've met and the experiences you've had in your time at Temple University, the Fox School of Business, and in the Sigma Chapter. Cherish those moments, as the people around you in your classrooms will become more than just your business partners – they will continue to be your best friends throughout life.

I sincerely hope you go out and achieve your greatest dreams. You have accomplished much through your classes and involvement in the Sigma Chapter, and I am confident you will be able to conquer whatever life throws you. I hope you can look back on your time as a Sigma Chapter member with warm memories and stay actively involved as proud alumni. As you know, our chapter would not be as strong without the tremendous support of our alumni, providing students in the Sigma Chapter a seemingly endless amount of opportunities.

On behalf of all of the officers and members of the Sigma Chapter it is my pleasure to congratulate you on the completion of your tenure here at Temple University. I wish you the best of luck in your professional and personal lives. Enjoy your graduation, and I hope you come back one day to share your inevitable success with the program!

Sincerely,

Steven Costa
President, Fox-2015
