

RISKY BUSINESS

A Gamma Iota Sigma Newsletter

April 24, 2017 Vol. XXXVIII Issue XIII

A message from President Patrick Cohen: Farewell Spring of 2017!

Dear Members,

It seems like just yesterday I was writing the letter that opened up the Fall 2016 semester and officially marked the beginning of my role as the Sigma Chapter's President. At that time, I never could have imagined how challenging and rewarding this position would be. I have learned and grown significantly in this leadership role. I credit all this growth to you, the incredible members of the Sigma Chapter, as well as to the officers, advisors, and administrative support.

Thank you all for attending meetings, workshops, career receptions, and many social and community activities. These events truly have a dual purpose: developing our members to be prepared for the professional world, which in turn greatly benefits our program as well. It allows more students to have internships, pass exams, network, make friendships, and achieve the end goal of obtaining a full-time job.

Graduation is quickly approaching, and it is always nice to reflect on the many outstanding achievements of all of our members, but especially the graduating seniors. Taking classes, studying, and socializing with all of you has convinced me that we, as the Class of 2017, will have extremely successful careers and truly make a difference in the world.

So finally, I want to once again thank everyone for his or her contribution to the Sigma Chapter throughout this academic year. Your hard work has truly paid off, and I thank and commend you all for your consistent dedication to your academic careers. It truly was a privilege to work with so many talented and driven individuals.

I look forward to keeping in touch as we enter a new and exciting chapter of our lives!

Fraternally yours,

Patrick J. Cohen President, Gamma Iota Sigma – Sigma Chapter

Fox School of Business, Actuarial Science – May 2017
