Dear Members,

I hope you all had relaxing but productive summer break! I am honored to serve as your president for the 2015-2016 academic year, and I am sure you are all as excited as I am to be back here at Temple. All 36 officers have been working extremely hard to put together an amazing semester. So, be sure to take advantage of every opportunity to better yourself as a person, student, and professional. I invite each one of you to take the next step toward achieving your career goals by utilizing the countless professional and career development resources that are available through the Sigma Chapter of Gamma Iota Sigma.

I would like to specifically address the H. Wayne Snider Distinguished Guest Lecturer Series. This semester, as always, we have an incredibly impressive lineup of senior executives from all across the risk management, insurance, and actuarial science industries. These lectures provide invaluable opportunities to learn about the industry you will be entering from some of the brightest minds in insurance and risk management.

Please recognize the wealth of resources that Gamma Iota Sigma provides, and use them as a stepping-stone to make yourself stand out and to confirm Temple's place as one of the most prestigious Risk Management, Insurance, and Actuarial Science programs in the nation. The class of incoming students grows in size and quality every year, and we must all work together to continue pushing toward the Sigma Chapter's ambitious goals and vision.

I look forward to reuniting with returning Sigma Chapter members, and I am eager to see the new faces of incoming freshmen, transfers, and Masters students. Please feel free to reach out to me at any time if you have questions, concerns, or if you simply want to chat – I am here to serve members, so I will always be happy to hear from you.

Thank you for putting forth the hard work, dedication, and drive that it takes to succeed in this program. I admire the time and effort each one of you puts into achieving your academic and career aspirations, and by working together, I am confident that the Sigma Chapter's ceiling truly has no limit. Thanks for reading, and I can't wait to get this semester started!

Fraternally yours,

Richard M. Rosenbaum
President, Gamma Iota Sigma – Sigma Chapter
Fox School of Business, Actuarial Science – 2016

First Organizational Meeting

Wednesday, September 2, 2015, 12 PM-12:50 PM – Alter Hall 031

Welcome! Please join us on Wednesday, September 2, 2015 for the first Gamma Iota Sigma organizational meeting of the Fall 2015 semester! Attendance is highly recommended as we will be discussing important information about the many exciting events and opportunities happening this semester. We look forward to seeing you!

Welcome Back Reception

Friday, August 28, 2015, 12 PM–12:50 PM

MBA Commons

The Welcome Back Reception is an informal gathering where new students will have the opportunity to meet faculty as well as other students majoring in Risk Management and Insurance, Actuarial Science, or Healthcare Management. Attendees will receive a free department t-shirt. Refreshments will be provided.

BA 2101 & RMI 3682

BA 2101—

All undergraduate students in the Fox School of Business and Management are required to take the one-credit hour course, BA 2101– Professional Development Strategies. Both Actuarial Science and RMI majors have the option to enroll in a special, GIS-administered section of BA 2101 to fulfill this requirement. To complete BA 2101 through GIS, students must:

- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12 PM–12:50 PM.
- Join a committee within GIS and attend meetings held every other Monday from 12 PM–12:50 PM.
- Meet the requirements to be included in the GIS Resume Book.
- Attend a “Getting Started” Workshop through CSPD

RMI 3682—

GIS offers another one-credit hour independent study course in professional development. Actuarial Science or RMI majors who have completed BA 2101 (either through GIS or Fox) are eligible to enroll in this course. To complete RMI 3682, students must:

- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12 PM–12:50 PM.
- Participate in one GIS community service event during the semester.

To enroll in either BA 2101 or RMI 3682, students must sign up during the first organizational meeting (Wednesday, September 2, 2015). Students must also attend orientation for BA 2101/RMI 3682 on Friday, September 4, 2015 from 12 PM–12:50 PM. Location will be announced via email. The course syllabus will be distributed at this orientation and there will be a contract that must be signed.
