Actuarial Science Workshop: What Is An Actuary?

Friday, September 11, 2015, 12 PM–12:50 PM, Alter 031

At this workshop members will learn about various aspects of the actuarial profession. Students will learn about the Society of Actuaries (SOA) and the Casualty Actuarial Society (CAS) and the opportunities that both societies have to offer. The workshop will also cover the differences between working for an insurance carrier and a consulting firm. Attendees will leave the workshop with a better understanding of what it means to be an actuary and potential career paths.

RMI Workshop: Career Paths in Property and Casualty

Friday, September 11, 2015, 12 PM–12:50 PM, Alter 033

In this workshop two different insurance professionals will explain their roles within their companies and go into detail about the different options for young insurance professionals in the Property and Casualty industry. There are two alumni of the program presenting: Nicholas Davis, Class of 2006, a vice president at ACE USA, and Michael Cross, Class of 2013, a client manager at Willis. Nicholas will present about the carrier side of the industry and Michael will present on the broker side of the industry. This workshop will be extremely beneficial for those who are unsure about which path to take, or if they are just looking for more information on a specific path.

Graduating Student Workshop: Wine Etiquette

Friday, September 11, 2015, 12 PM–12:50 PM, Alter 035

Wine is a fixture in today's business world and young professionals should possess a basic knowledge of wine etiquette. This workshop intends to teach graduating seniors how to properly select, open, and pour wine.

Charity of Choice: Brave Hearts for Strong Minds

The Sigma Chapter of Gamma Iota Sigma is excited to announce Brave Hearts for Strong Minds as its Charity of Choice for the 2015-2016 academic year. Brave Hearts for Strong Minds is an organization that funds the educational needs of children who have lost a parent. The Sigma Chapter has pledged \$15,000 to Brave Hearts for Strong Minds, so please support the fundraising efforts to help reach this ambitious goal.

Vice President - Claims

The Graham Company

Wednesday, September 9, 2015, Alter Hall 031

Dawn Houpt graduated from Lycoming College in 1986 with a Bachelor of Arts degree in Business Administration and Economics. Upon graduation, she worked for a major insurance carrier before joining The Graham Company's Claims Services Department in 1988. Houpt handled various levels of multi-line claims and was a Claims Supervisor at The Graham Company prior to her joining the Technical Development Department. As a member of the Technical Development Department, Houpt was responsible for the Training, Continuing Education, and Quality Assurance of the Claims Services Department.

While still a member of the Technical Development Department, Houpt was promoted to Claims Manager of the Claims Services Department. As Vice President of the Claims Services Department, Houpt is responsible for directing claims consultants in providing the highest level of claims services for our clients.

Houpt is a licensed Insurance Agent. She is also a Chartered Property and Casualty Underwriter (CPCU), has obtained the Associate in Claims (AIC) and Associate in Risk Management (ARM) designations provided by the Insurance Institute of America.
