

Alumni Spotlight: Charmaine Naut

Charmaine Naut is the Executive Vice President and Chief Operating Officer at CME Benefits Consulting (a Capital Management Enterprises Company). She has worked in the health insurance employee benefits field for over twenty years.

In her current role, Charmaine is responsible for leading all aspects of the practice at CME Benefits Consulting. This includes overseeing the day-to-day consulting and brokerage services the firm provides for its benefit clients, the development of new strategic services and leading new business development. Charmaine also plays an active benefits consulting role with key clients and is engaged in program design, financial evaluation, funding, health and wellness, compliance, employee engagement and communications as well as other key client-facing areas.

Charmaine is a graduate of Temple University with a B.B.A. in Risk Management & Insurance and Finance. She remains active in the Temple community by being a mentor and volunteering or sponsoring a RMI class project over the past 20 years.

Past Temple Event:

Case Competition

On Saturday, November 4th, 2017, 109 RMI undergraduate and Actuarial Science undergraduate and graduate students participated in the bi-annual case competition for their respective capstone courses. Students paired into teams of two or three and provided a written report of their findings and made a presentation to a panel of judges which consisted of industry professionals. Award categories included best papers, best individual presenters and best overall team presentation.

Past Alumni Event:

On Saturday, November 11th, 2017, the Sigma Chapter hosted an Alumni Panel/Roundtable event at Alter Hall, Temple University in Philadelphia from 10:00 AM-1:45 PM. 16 Alumni attended along with 21 students and officers. This event was led Russel Rollins along with other alumni who wished to host a meeting with students interested in expanding their knowledge of the insurance industry. The panels included Property and Casualty, Life and Health, Corporate Risk Management, and Actuarial Science. The objective of this meeting was to offer a casual networking opportunity where students can grow from a group of dedicated alumni/professionals.
