Annual Charity Auction

Thursday, April 4, 2019

On the evening of **Wednesday, March 27, 2019**, members of the Sigma Chapter packed The Draught Horse for the Sigma Chapter's Annual Charity Auction. In the name of charity and fun, members, faculty, and Sigma Chapter sponsors offered activities and prizes to be auctioned for our 2018-2019 Charity of Choice, **Gift of Life Family House**.

Attendees to the event engaged in heated bidding wars and found themselves with great returns on their investments. Items and activities included tickets to the One Liberty Observation Deck, dinner outings with many of our professors, a puppy play date, and a Google Home Mini! The auction also included themed raffle baskets donated by our officers. The Sigma Chapter was able to raise over **\$2,600** for Gift of Life Family House!

Thank you to all of our members and faculty for their donations that made this charity auction possible. We are now closer to meeting our grand donation total of \$15,000!
