Press Release

Fall 2023 Actuarial Science Career Reception

Wednesday, September 27, 2023

On **Thursday, September 21, 2023**, the Sigma Chapter held its annual Actuarial Science Career Reception for students seeking internship and full-time positions. In order to attend this reception, students had to complete the **"Road to the Resume Book,"** which requires attending multiple professional development workshops, creating a Handshake profile, and taking a professional photo. The Spencer Educational Foundation Grant, awarded to the Department of Risk, Actuarial Science, and Legal Studies for the academic year, covered costs associated with the Road to the Resume Book process.

49 Actuarial Science students met with recruiters from **26** different companies during the reception; recruiters included approximately **25** Temple Alumni! The success of this event was possible because of the hard work of the **Actuarial Science Career Development and Professional Development teams**. Thank you to all of the students, **faculty**, including Yvette Styer and Michelle Henry, and industry partners for making this a successful event!

The following companies were in attendance:
