## Fall 2013 Actuarial Science Intern Reception

Released: November 18, 2013

On Thursday, November 7, 2013 in the MBA commons of Alter Hall, Sigma Chapter held its Annual Actuarial Science Intern Career Reception. This reception was a culmination of months worth of preparation and professional development. In order to attend this reception, Actuarial Science students had to complete the entire “Road to the Resume Book”. This process includes an interview skills workshop, etiquette workshop, mock interview, and a resume review. Ninety Sigma Chapter members studying Actuarial Science met recruiters and alumni from more than twenty companies from across the country in hopes of obtaining an internship position for summer 2014. This was all made possible due to the hard work of our Career Development and Professional Development teams. The following companies were in attendance:
