Fall 2013 Employee Benefits Capstone Case Competition

Released: November 18, 2013

On Saturday, November 2, 2013, Seniors in their RMI 4596 Employee Benefits Capstone participated in an annual case competition judged by industry professionals in the employee benefits field. Groups were scored on their written reports and oral presentations before a panel of judges. Student groups were divided into two competitive sections and one group from each section was advanced to compete in a final round.

Assistant Professor Diane Luedtke and Ed O'Malley present the award for Best Final Round Presentation to Allison Cross and Laura Versage for their project sponsored by Trion. Allison and Laura also won the award for Best Paper for their competitive section

Each student group was partnered with a sponsoring healthcare or employee benefits carrier, broker, or consultant and were assigned a variety of different project topics to investigate. The Sigma Chapter would like to thank the following sponsoring companies for donating time to provide our members with crucial industry and exposure before graduating: Cigna, CME Group, Corporate Synergies, The Graham Company, Independence Blue Cross, Mercer, Principal Financial Group, Towers Watson, and Trion.

Assistant Professor Diane Luedtke presents the awards for Best Presentation and Best Paper to Jessica Parker and Alex Kleban for their project sponsored by Towers Watson for their competitive section
