September 25, 2014

On Monday, September 8, 2014 alums and supporters of the Sigma Chapter and the Department of Risk, Insurance, and Healthcare Management raised \$48,000 during the 2014 Golf Outing.

During the morning, 56 foursomes were split between North Hills and Lulu Country Clubs, both located in North Hills, PA. After golfing, attendees gathered at North Hills Country Club for lunch and a networking session with Sigma Chapter members. There was also a silent auction, a raffle and other fun golf games such as marshmallow driving, closest-to-the-pin, and putting competitions .

The event could not have been a success without the Alumni Affairs officers, student volunteers, and the help of alums Cassidy Starkey '99, Jonathan Backlund '06, Kevin Johnson '09, and Ryan McGough '88.
