Sigma Chapter Attends the 44th Annual Gamma Iota Sigma Management Conference

October 19, 2015

From October 8 -11, 2015, Sigma Chapter officers and advisors traveled to Chicago, Illinois for the 44th Annual Gamma Iota Sigma International Conference. This conference was like no other as we joined to celebrate 50 years of Gamma Iota Sigma. Attendees from 64 chapters across the country enjoyed a comprehensive agenda that included a career fair, educational and leadership sessions, and keynote addresses.

At the Awards dinner held at Navy Pier, the Sigma Chapter received Chapter Awards for its achievements in Alumni Relations, Chapter Managements, Community Service, Membership Development, and Public Relations. In addition, the Sigma Chapter, among only four other chapters, was recognized as a Superior Chapter. This award is bestowed upon chapters that excel in all functional areas and provide exceptional experiences for their members.

The Sigma Chapter also won two Black and Gold Awards, which recognize new projects and programs considered creative and successful only through extensive planning and organization participation. These awards were given for the development of the Student Engagement Program and Wednesday Speaker Interviews.

The Sigma Chapter is proud to be recognized for its achievements during the 2014-2015 school year and extends a thank you to its members, advisors, and other supporters in the Risk Management, Insurance, and Actuarial Science department and The Fox School of Business.
