

PRESS RELEASE

Fall 2017 Actuarial Science Case Competition

December 4, 2017

On Saturday, November 4, 2017, thirty-one Actuarial Science majors taking the *Actuarial Practice: Property and Liability* capstone course participated in the fall semester team case competition. The teams were asked to conduct research on cyber insurance in the property-liability insurance industry. For the case competition, each team provided a written report of their findings and made a presentation to a panel of judges who were practicing actuaries. Award categories included the overall oral team presentation winners and best paper. The students who received awards for each category are as follows:
