Students Inducted into Sigma Chapter Honorary Societies

Friday, January 31, 2020

Students in the Actuarial Science and Risk Management and Insurance majors will be inducted into one of the two honorary societies within the Sigma Chapter at the 29th Annual Gamma Gala on Friday, April 24, 2020. These societies aim to recognize those students in the Sigma Chapter's **Risk and Actuarial Development Program (RAD)** who are exceptionally dedicated to their education both in and out of classroom.

The Sigma Chapter began RAD in the Spring of 2015 as a way to reward Risk Management and Insurance and Actuarial Science students who are taking the initiative to further develop their professional and personal selves by participating in career development, academic and community involvement, exam progress, and networking events.

Sixty-four members in the Actuarial Science major will be inducted into the **Glendenning Honorary Society** and seventy-five members in the Risk Management and Insurance major will be inducted into the **Snider Honorary Society**. We are proud to recognize these students for their outstanding involvement in the Sigma Chapter. All Sigma Chapter students will have the opportunity to participate in the program again in Spring 2020.
