## 37th Semi-Annual Gamma Games

Thursday, February 13, 2020

On Wednesday, February 5, 2020, the Sigma Chapter of Gamma Iota Sigma held its 37th Semi-Annual Gamma Games in Pearson Gym. This semester's theme was **Superheroes!**

The games commenced with **Dizzy Bat Relay**, which had our members disoriented and racing to the finish line to win! Competitors showed intense concentration and endurance for **Basketball Knockout**, **Musical Chairs**, and **Scooter Races**, with their knowledge of superheroes and villains shining through during **Trivia**. The games ended with an athletic showing by all teams during **Dodgeball**.

It was through their high-speed throws and superhero knowledge that the **Light Blue Team** defeated their competition and earned the title of the 37th Semi-Annual Gamma Games Champions! Our winning team consisted of captain **Brett Ackerman** and members **Joshua Cadwallader**, **Kevin Fiss**, **Eric Xu**, **Ying Ying Ham**, and **Jessica Zimmerman**. For his skills and dedication to his team throughout the entire competition, **Brett Ackerman** was named MVP!
