H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

BRIAN DUPERREULT

FORMER CHAIRMAN, PRESIDENT & CEO

ACE GLOBAL

*Wednesday, October 4th, 2006
11:40-12:30pm, Walk Auditorium*

Brian Duperreault joined ACE as Chairman, President & Chief Executive Officer in October 1994 with a mandate to diversify the company from a Bermuda specialty carrier into a premier global insurance organization. Following a clearly articulated strategy of growth through acquisition and diversification, Mr.

Duperreault oversaw the emergence of the ACE Group of Companies as one of a handful of truly global property casualty insurers and reinsurers. In May 2004 Mr. Duperreault presided over a successful management transition plan, permitting him to focus on his role as Chairman of the Board, namely to provide leadership to the Board, and represent ACE in key areas such as strategy and government relations..

Acquisitions completed during his tenure as Chief Executive Officer included that of Tempest Reinsurance Company Limited and Lloyd's managing agencies Methuen and Ockham (1996), Westchester Specialty (1998), CAT Limited and Tarquin plc (1998), and CIGNA P&C and Capital Re Corporation (1999). Through eight successful transactions, Mr. Duperreault led the transformation of ACE from a catastrophic insurer writing a few lines of business to a global P&C enterprise with unparalleled geographic and product diversity.

Mr. Duperreault retired from the company on June 1, 2006.

Medco to Deliver Consumer Reports' Best Buy Drug Reports

Consumer Reports' independent reviews of prescription drugs will be made available to millions of patients by the nation's largest pharmacy benefit manager, helping consumers make informed drug choices that may improve the nation's health outcomes while saving consumers significant amounts of money. Medco Health Solutions, Inc. will deliver Consumer Reports' Best Buy Drugs reports to its members via its new Savings Advisor tool on www.medco.com. Savings Advisor, in tandem with Best Buy Drugs, enables patients to review information comparing medicines on safety, effectiveness and price based on the scientific evidence, not drug industry marketing. "We will be able to reach millions of consumers with unbiased information about cost-effective prescription drugs at the point where it matters most when consumers are making medication choices," said Jim Guest, president of Consumers Union, publisher of Consumer Reports. "Medco has a significant impact on the prescription drug marketplace, and we hope other health organizations, large employers and health insurance companies will also want to share this information with consumers," Guest said. Medco clients include employers, Blue Cross Blue Shield plans, managed care organizations, insurance carriers, state and local government agencies, union-sponsored benefit plans, and individuals served by the Medicare Part D Prescription Drug Program. About one-third of the companies on the Fortune 500 list are Medco clients. The non-exclusive arrangement is designed to provide consumers unbiased prescription drug information in a manner that enables Consumers Union to have control not only over the editorial content of the Best Buy Drugs information, but its use. In line with Consumers Union's strict non-commercial policy, there is no financial arrangement between the two companies; rather, the non-exclusive agreement has a singular goal: giving patients information so they, with their doctors, can choose the most clinically appropriate and affordable medicines. "Consumer Reports and Medco are each focused on ensuring that patients and physicians are empowered with the credible, evidence-based information that is critical in making informed choices that improve the quality of health care," said David B. Snow Jr., Medco's chairman and CEO. "Adding Best Buy Drugs to our Savings Advisor furthers our leadership in transforming patients into more-engaged, better-informed consumers."

Wednesday Meeting

BRIAN DUPERRAULT

WALK AUDITORIUM
11:40-12:00

Millennium Skate World

Gamma will hold a roller skating event. This will be yet another fun opportunity for students to come out and get to know each other.
