SIGMA CHAPTER # 1 AGAIN!!!!

The 39th Gamma Iota Sigma Annual International Management Conference was held at Central Michigan University this past weekend. Chapters from all over the United States and Canada came together to participate in educational workshops, a career fair and various social events. The highlight of the conference was the International Awards Dinner where the **Edison L. Bowers Award** was announced. We are proud to report that the Sigma Chapter has won the **Edison L. Bowers Award** for the eleventh time a row, making us the winner of 16 out of the last 18 years. The Bowers Award is the most coveted of the international awards conferred by the Grand Chapter of Gamma Iota Sigma and is the highest honor a chapter can receive. It is given to the chapter which best reflects the overall goals and objectives of Gamma Iota Sigma. We won because of the accomplishments of our dedicated officer team, our amazing faculty advisor Dr. R. B. Drennan and because of you, our members. In addition, Sigma Chapter won six Black and Gold awards and also won awards for **Chapter Management, Alumni Relations, Community Service, Membership Development and Public Relations**. Furthermore, our President Tim McDermott (FOX RMI 2011), won the **Anita Benedetti Memorial Award**, which was created in 1996 in memory of Anita Benedetti who was one of our nation's foremost advocates of risk management education. Moreover, our Treasurer Tammy Orehek (FOX RMI 2010) won the **Elizabeth Lange/Microsoft Scholarship**, which is intended to honor exceptional family and community contributions of a Gamma Iota Sigma member. If you see Tim or Tammy in your travels, stop and congratulate them.
