

TEMPLE UNIVERSITY, FOX SCHOOL OF BUSINESS, DEPARTMENT OF RISK, INSURANCE AND HEALTH CARE MANAGEMENT

RISKY BUSINESS

SPRING 2011 PREMIERE ISSUE

A letter from our President - Tim McDermott

Dear Members,

It is with great pleasure that I take the opportunity to serve as your president, and I am happy to welcome you back to school! Our group of officers has worked hard throughout the winter break in preparation for what will surely be another exciting and productive semester for Gamma Iota Sigma. Evidenced by our loaded calendar of events, we are all dedicated to creating opportunities for professional and career development, while encouraging community service involvement and promoting academic excellence among our members. Of course, as tradition demands, we will hold our semi-annual Gamma Games in just a few weeks! This is a fun way to interact with new and returning members, but stay tuned for some great new social events created to strengthen the sense of fellowship within our organization.

Our H. Wayne Snider Distinguished Guest Lecturer Series returns to you this semester with a strong line-up of insurance, risk management, and actuarial science industry leaders. As always, we remain dedicated to bringing you the opportunity to learn from top professionals from around the country with experience and expertise in various

disciplines. Among our list of interesting speakers, you will have the chance to hear from Dan Kugler, Risk Manager for Snap-On Tools, and John Crable, Senior Vice President of Corporate Synergies.

I hope you are all as excited about the Spring semester as I am! As you make your journey toward successful insurance, risk management, and actuarial careers, rest assured that I remain committed to the continued excellence of Gamma Iota Sigma. I look forward to seeing our returning members and meeting our new members. As we see each other in the halls or at any of our many Sigma Chapter events, please stop me to ask questions, introduce yourselves, or just to say "hello." I will do the same. Also, please do not hesitate to email or call me anytime!

I wish you all the best of luck this semester with your academic and career goals!

Fraternally
Yours,

Tim McDermott
President

Fox-RMI 2011

Upcoming Events

BA 2101/ RMI 3682 Orientation

For anyone enrolling in BA 2101 or RMI 3682 through Gamma Iota Sigma, this meeting is mandatory and attendance is imperative. Dr. Drennan will discuss several crucial items. He will cover the resume book requirements, community service events, and other various requirements for each class.

*Friday, January 28, 2010, 12-12:50pm,
Alter 031*

Mix and Mingle

The "Mix & Mingle" will be an informal gathering to help introduce our new members to returning members and officers of Gamma Iota Sigma. New and veteran members will learn about the programs offered by the Sigma Chapter, the benefits of becoming a member and have a chance to network with their peers.

*Friday, February 4, 12-12:50pm, SAC
217*

Intern Interview Workshop

A required workshop for all BA 2101 students and a step in the Road to the Resume Book. The workshop will cover critical information and prepare students for a behavioral type interview.

*Saturday, January 29, 2011 9am-12:30,
Alter 606*

Professional Photographs

Pictures of all RMI and Actuarial Science majors will be taken by a professional photographer and used to generate a members yearbook and for various bulletin boards including scholarship, internship and exam passers. This is now a mandatory step in the "Road to the Resume Book" process. All RMI and Actuarial

Science students will use Doodle in order to sign up for time slots. More information regarding this process will be sent to everyone soon. Please look out for this e-mail!

Wednesday, February 2, 2011

First Organizational Meeting of Gamma Iota Sigma

Gamma Iota Sigma's first organizational meeting will be held Wednesday, January 26th, 2011 during the business free period in the Alter Hall auditorium. During this meeting, we will be going over the events of the upcoming semester as well as selecting committees. Some of these topics will include our H. Wayne Snider Distinguished Guest Lecturer Series, the Resume Book, BA 2101 and RMI 3682, social events and other important information. Each person will receive a Spring 2011 Member Handbook at the meeting, which details all activities and events throughout the semester.

Wednesday, January 26, 2011, 12-12:50pm, Alter Hall Auditorium

Learn invaluable information inside and outside the classroom.

Go to lunch at the Diamond Club and interact with industry professionals in a more relaxed setting.

Eat free pizza while learning about the industry.

Be Number 1! Gain the skills you need to get yourself to the top.

Give back! Help other in your community.

Dr. Drennan strongly encourages it.

Career Receptions.

YET ANOTHER REASON TO JOIN: FUN EVENTS

Mix and Mingle
