Risk Management

Actuarial Science

## A MESSAGE FROM PRESIDENT ADAM KEYLIN: WELCOME BACK FALL 2023!

Dear Members,

I hope you all enjoyed the summer break and are excited to return to campus this Fall. It is my honor to serve as President of the Sigma Chapter for the 2023-2024 Academic Year. Our 35 officers have worked diligently this summer to prepare an outstanding semester full of engaging industry speakers, meaningful community activities, and exciting social events. We hope to see you on **Wednesday, September 6, 2023, at 12:00pm in Alter Hall Room 31** for our first Organizational Meeting of the year where we will discuss the activities planned for the semester.

The H. Wayne Snider Distinguished Guest Lecturer Series this semester includes a variety of experienced executives ranging from cyber professionals and benefits leaders to risk managers for well-regarded corporations. These professionals in risk management, insurance, and actuarial science are excited to come share their perspectives on the industry. Following each meeting, you will have the opportunity to meet and network with these senior executives in a smaller setting through our Networking Luncheons.

Our ASCD and RMICD teams are excited to bring you many speakers (including many esteemed alumni of our program!) to share valuable lessons directly applicable to your education. We are also thrilled to announce our PD team has implemented a revamped Road to the Resume Book process from your direct feedback! This will be extremely valuable as you prepare for the Actuarial Science Career Reception and RMI Graduating Senior Career Reception, where students interview for positions with our stellar industry supporters.

Our Student Affairs and Community Affairs teams have worked to bring you exciting social events and charity events. I know you are all stoked for our 44th Semi-Annual Gamma Games, Phillies game, and some brand-new events (I know we have some golfers in the chapter!). We also plan to raise money for our Charity of Choice, an incredible cause that will be discussed at our first Organizational Meeting.

Lastly, I hope that you all can enjoy the benefits offered by Temple, The Fox School of Business, and our chapter. I look forward to hearing of the friendships that will be formed, exams that will be passed, and the memories that will be made. Please don't hesitate to reach out with any questions or comments.

I look forward to seeing you all on September 6th for our first Organizational Meeting.

Faternally yours,

Adam Keylin  
President, Gamma Iota Sigma - Sigma Chapter  
The Fox School of Business, Actuarial Science, May 2024

## FIRST ORGANIZATIONAL MEETING

**Wednesday, September 6, 2023**

12:00 p.m. - 12:50 p.m.

Speakman Hall 115

During these sessions, you will meet various faculty members, learn more about the curriculum and professional exams, and hear from officers of our student professional organization, Gamma Iota Sigma.

## Supporting our Charity of Choice

The Sigma Chapter of Gamma Iota Sigma's **Charity of Choice** for the 2023-2024 academic year is **Connect Thru Cancer**, a charity aimed at supporting families with a cancer diagnosis that occurs in adulthood. Through a number of different services and support channels, Connect Thru Cancer aims at alleviating stress from diagnoses and treatments by creating time for families to recharge and reconnect.

This year will mark the first year that the Sigma Chapter has supported Connect Thru Cancer. The Sigma Chapter looks forward to reaching its donation goal and getting involved with the charity.

If you are interested in donating to Connect Thru Cancer, please Venmo @sigmachapter. The payment description should consist of your email and 'Charity of Choice'.
