## 4th Semi-Annual Cultural Pot Luck

Released: November 12, 2012. Sigma Chapter's Cultural Pot Luck is a semi-annual social event where students can enjoy and learn about the cultural backgrounds of their fellow members. On Tuesday, October 23, 2012, all attendees were encouraged to bring a dish that is representative of their cultural background or to come try a variety of different foods. Those who prepared a dish were asked to describe what they made and its cultural significance. All attendees were treated to appetizers, dinners, and desserts made by fellow members and faculty representing their cultural backgrounds. Those who brought food enjoyed all dishes free of charge. Those who attended without bringing a dish were asked for a small donation towards our charity of choice. A total of \$65 was raised for ESF Dream Camp.
