TRIVIA NIGHT!

Wednesday, March 1, 2023

5:30 - 7:00 p.m.

Alter A035

Come unwind before Spring break and join us for a Sigma Chapter Trivia Night! If you are interested, please look out for emails from the Sigma Chapter Student Affairs Team to indicate your attendance.

Charity of Choice

The Sigma Chapter of Gamma Iota Sigma's Charity of Choice for the 2022-2023 academic year is the Animal Care & Control Team of Philadelphia, ACCT Philly. The facility is the region's largest animal care and control service provider, serving the City of Philadelphia by contract. They offer adoption, foster, and volunteer programs, as well as owner surrender prevention resources. ACCT Philly takes in nearly 18,000 animals annually, from dogs and cats, to small animals, reptiles, birds and wildlife.

This year will mark the first year that the Sigma Chapter has supported ACCT Philly. The Sigma Chapter looks forward to reaching its donation goal and getting involved at the facility. If you are interested in donating to ACCT Philly, please Venmo @sigmachapter. The payment description should consist of your email and 'Charity of Choice'.

Soft-Pretzels & Snacks During Wednesday Meetings

Purchase soft pretzels, popcorn, fruit snacks, or water during our Wednesday meetings! **Proceeds will support our Charity of Choice, ACCT Philly.**

Everything is \$1.

Justin Rosenberg
Founder & CEO
honeygrow

Justin Rosenberg is Founder and CEO of honeygrow, a fast-casual stir-fry and salad concept founded in Philadelphia in 2012. With a mission to create a unique, spirited brand focused on simple, wholesome foods, Rosenberg has led the company's creation and growth, which will have over 40 units and growing by year-end 2023.

Prior to launching honeygrow, Rosenberg worked as an Asset Manager and Manager of Energy Services for PREIT in Philadelphia, where he was responsible for purchasing and hedging strategies, energy costing, solar power development, capital budgeting, retail re-merchandising strategies and forecasting for a portfolio of over 35 national shopping centers and malls throughout the US.

After seven years in the finance and real estate industry, Rosenberg decided it was time to pursue his true passions of entrepreneurialism, cooking and creative brand-building. Influenced by his recent adoption of a plant-based diet and his love for design and music, he drew inspiration for a concept set to differentiate itself from the rest. To prepare himself for this new venture, Justin staged at various restaurants from Philadelphia to Washington, D.C. to gain further experience in kitchen operations, cooking, and leadership.

In 2012, the first honeygrow location opened in the Rittenhouse neighborhood of Philadelphia, and Rosenberg's vision catapulted to the next level. Since that day, honeygrow would continue to expand its unit count and team, with sights set for becoming an enduring, sustainable organization. The company has raised over \$80 million in equity financing and has grown into the Boston, Pittsburgh, Baltimore, Washington DC and the New York City metro areas. In 2020, Justin received the Ernst & Young Entrepreneur of the Year Award for the Greater Philadelphia region and in 2021, was distinguished as a member of the Philadelphia Business Journal's 40 Under 40 class.

This week's H. Wayne Snider Distinguished Guest Lecturer Series meeting is in collaboration with Temple University's Chapter of Phi Alpha Delta (PAD) Pre-Law Society.
