H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

Wednesday, March 15, 2023

12:00 p.m. - 12:50 p.m.

Alter Hall A031

Tim McDermott, PCU, ARE (Class of 2011)

Director, Insurance Product Management
Next Insurance

Tim is currently Director of Insurance Product Management at Next Insurance, an online insurance provider of small businesses based in Palo Alto, CA. Tim currently oversees product management, including the overseeing of product performance and the development of new product offerings. Next Insurance was rating number 37 on CNBC's list of disruptors on 2022.

Previously, Tim was a Director of Product Management for Munich Re Digital Partners, a global venture designed to develop propositions with InsurTech, Fintechs, and digital disruptors to innovate and digitize insurance along the entire value chain. Tim is responsible for managing the product development, underwriting, growth, and ultimate profitability of commercial multiline insurance portfolios.

Tim was also an Insurance Programs Underwriter in Munich Re's Specialty Markets Division, where he held similar responsibilities for the large broker and bankowned PA/MGA client group. His underwriting experience extends across multiple classes and lines of business, including commercial property, general liability, auto liability, workers compensation, and professional liability.

Beginning his insurance career with Munich Re in 2011 as a Risk Analyst, Tim completed a 2.5 year rotational program that combined primary insurance and reinsurance training in underwriting & actuarial pricing, reinsurance contracts, catastrophe management, financial management & accounting, and client management.

Risk Actuarial Development Program (RAD) Badges!

The RAD Program on Sutable has a **new feature** to further reward engaged Risk Management & Insurance and Actuarial Science students: **badges**. The Sutable system will automatically award badges based on the following criteria:

- Overall cumulative points in the RAD system for four point levels - **Bronze, Silver, Gold, and Diamond**
- Achievement of each of the five competencies on a yearly basis - **Community Engagement, Personal and Professional Development, Ethics, Global and Cultural Awareness, and Financial Literacy**
- Membership in either the **Glendenning (AS) or Snider (RMI) Honorary Society**

RAD Member Leaderboard Spring 2023

Students on the RAD Leaderboard are the most engaged Risk Management & Insurance and Actuarial Science students with the highest overall cumulative points for the Spring 2023 semester in the RAD system. Our current leaders as of Wednesday, March 1, 2023 are:

1. Adam Keylin (2,275 points)
2. Naomi Nwokoma (1,725 points)
3. Alex Meals (1,635 points)
4. Chang Wang (1,550 points)
5. Robert Walton (1,490 points)
