A MESSAGE FROM PRESIDENT GRANT BROOKS: WELCOME BACK FALL 2022!

Dear Members,

I hope you all had a wonderful summer break and are excited to return to classes this Fall. It is my honor to serve as your President of the Sigma Chapter for the 2022-2023 Academic Year. The 35 officers of your chapter have worked tirelessly over the summer to prepare an outstanding semester full of exciting industry speakers, social events, and a new all-inclusive membership structure. We hope to see you on Wednesday, August 31, 2022, at 12:00pm in Alter Hall Room 031 for our first Organizational Meeting of the year where we will detail more about what we have planned.

The H. Wayne Snider Distinguished Guest Lecturer Series this semester includes executives from many exciting companies you might know, such as Philly Pretzel Factory, FanDuel, Louis Vuitton, Insomnia Cookies, and more. These professionals in risk management, insurance, and actuarial science are excited to come share their perspectives on the industry. Members have the opportunity to meet and network with these senior executives in our Networking Luncheons following the meeting.

Our ASCD and RMICD teams are excited to bring you many speakers (including many esteemed alumni of our program!) to share valuable lessons directly applicable to your education. We are also thrilled to return with our Actuarial Science Career Reception and RMI Graduating Senior Career Reception, where students who have gone through our signature Road to the Resume Book process can interview for positions with our excellent industry supporters.

Our Student Affairs and Community Affairs teams have worked to bring you exciting social events and charity events. I know you've all been training hard for our 42nd Annual Gamma Games (where I'm already planning for my team to win the dodgeball game). We also plan to raise money for our Charity of Choice, a fantastic cause that will be discussed at our first Organizational Meeting.

Lastly, we are excited to announce the restructuring of membership requirements and dues structures to ensure all students have access to the remarkable opportunities provided by the Sigma Chapter. Learn more about these changes at our first Organizational Meeting.

I look forward to seeing you all on August 31st for our first Organizational Meeting.

Fraternally yours,

Grant Brooks
President, Gamma Iota Sigma - Sigma Chapter

FIRST ORGANIZATIONAL MEETING

Join us at our first organizational meeting of the Fall 2022 semester! We will be discussing the Sigma Chapter's upcoming events and plans for the Fall Semester.

Wednesday, August 31, 2022
12:00 p.m. - 12:50 p.m.
Alter Hall A031, A032, A033

Supporting our Charity of Choice

The Sigma Chapter of Gamma Iota Sigma's Charity of Choice for the 2022-2023 academic year is the Animal Care & Control Team of Philadelphia, ACCT Philly. The facility is the region's largest animal care and control service provider, serving the City of Philadelphia by contract. They offer adoption, foster, and volunteer programs, as well as owner surrender prevention resources. ACCT Philly takes in nearly 18,000 animals annually, from dogs and cats, to small animals, reptiles, birds and wildlife.

This year will mark the first year that the Sigma Chapter has supported ACCT Philly. The Sigma Chapter looks forward to reaching its donation goal and getting involved at the facility.

If you are interested in donating to ACCT Philly, please Venmo @sigmachapter. The payment description should consist of your email and 'Charity of Choice'.

NEW MAJOR ORIENTATION

During these sessions, you will meet various faculty members, learn more about the curriculum and professional exams, and hear from officers of our student professional organization, Gamma Iota Sigma.
