## H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

**Kristine Klepper**

Executive Partner & Chief Operating Officer,  
Employee Benefits Practice  
Connor Strong & Buckelew

**Wednesday, September 13, 2023**

12:00 p.m. - 12:50 p.m.

Alter Hall A031

Kristine Klepper brings over 30 years' experience in the employee benefits field. In her role, she works with clients to set short- and long-term strategies to address health care costs, population health and promoting health and productivity within their organization. She leads one of Connor Strong & Bucklew's national client service practices in providing strategic planning, benefit evaluations, and financial analysis for our clients. She also leads their population health team developing data driven actionable solutions to impact health outcomes and health equity.

Prior to joining Conner Strong & Buckelew, Kristine spent 15 years at Aon Consulting where she was a Senior Vice President and the Local Market Leader for the Greater NY/NJ market. At Aon she was an Account Manager for several large and mid-size private sector and public sector employers. She was on the consulting team to the State of New Jersey Division of Pensions and Benefits providing consulting services for the State Health Benefits Program. Prior to joining Aon, she spent seven years in health and welfare consulting at The Apex Management Group and Miller Mason & Dickenson. She managed clients ranging in size from about 100 lives to 10,000 lives. Her experience includes designing, pricing and implementing employee benefit programs while integrating wellness and consumerism strategies.

## Peer-to-Peer Mentorship Program

Sign up for our Peer-to-Peer Mentorship Program! This program pairs experienced students with those at the beginning of their academic journey.

Mentees can learn about exams, internships, classes, interviews, Gamma-related events, and anything else in the risk management, insurance, and actuarial fields.

To be an RMI mentor, you must have completed at least one internship and the RMI bootcamp classes. To be an Actuarial Science mentor, you must have completed at least one internship and passed at least one actuarial exam.

We require mentors & mentees to **meet at least two times** throughout the Fall semester. The deadline to sign up is **Friday, September 15, 2023**.

## Supporting our Charity of Choice

The Sigma Chapter of Gamma Iota Sigma's Charity of Choice for the 2023-2024 academic year is **Connect Thru Cancer**, a charity aimed at supporting families with a cancer diagnosis that occurs in adulthood. Through a number of different services and support channels, Connect Thru Cancer aims at alleviating stress from diagnoses and treatments by creating time for families to recharge and reconnect.

This year will mark the first year that the Sigma Chapter has supported Connect Thru Cancer. The Sigma Chapter looks forward to reaching its donation goal and getting involved at the facility.

If you are interested in donating to Connect Thru Cancer, please Venmo @sigmachapter. description should consist of your email and 'Charity of Choice'.
