The Sigma Chapter of Gamma Iota Sigma's Charity of Choice for the 2021-2022 school year is the Gift of Life Family House. The family house serves as a "home away from home" for transplant patients and their families by providing temporary, affordable lodging, and supportive services to those who travel to Philadelphia for transplant-related care.

The Sigma Chapter has supported the Gift of Life Family House over the past ten years. In 2012, our organization raised \$25,000 for the Family House in memory of Eric Smith (Class of 2011) and Kevin Kless (Class of 2010), graduates of the Fox School's risk management and insurance program who died within seven months of each other and donated their organs to save the lives of others. In 2019, The Sigma Chapter raised an additional \$13,000 for the Family House. This year, all donations are in memory of Sigma Chapter alumni Kevin and Eric.

If you are interested in donating to the Gift of Life Family House, please Venmo @sigmachapter. The payment description should consist of your email and 'Charity of Choice'. We need your support to reach our \$10,000 donation goal for the 2021-2022 academic year!
