Joint Workshop: Risks at Temple

Monday, October 14, 2019
12:00pm-12:50pm
Alter Hall 031

Lisa Zimmaro, Temple University's Risk Manager, will present about risks that exist on our campus. Come ready to learn about how our school tackles risk, including what risk controls are used. It will be interesting to see how risk management techniques that we learn in classes are applied at our very own school. She will focus the majority of her presentation on claims, and she will share stories about the claims she has handled, especially in connection with medical malpractice. Students will have the opportunity to learn about claims as a career path.

H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

Jen McDonald (Class of 2003)
Vice President at Merchant Insurance Solutions

Wednesday, October 9, 2019, 12:00pm-12:50pm, Alter Hall 031

Jen McDonald graduated from the Risk & Insurance Management program in the Fox School of Business at Temple University in 2003, and is a past officer of Gamma Iota Sigma. Jen relocated to Tampa, Florida with the Travelers Insurance Company as a Middle Markets Property and Casualty Underwriter. After working for 10 years in various roles at Travelers, in 2013 her position was moved out of state. Wanting to stay in Tampa, Jen took a leap of faith and began her journey as an entrepreneur as a property and casualty commercial insurance agent.

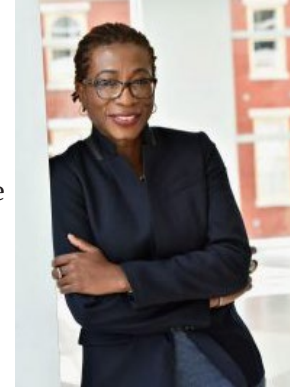

At that time she became more active in her community, serving on the Board of Directors for Historic Hyde Park Neighborhood Association and eventually becoming President. She also became a member of the South Tampa Chamber of Commerce where she currently serves on the Board. She is currently the Chairwoman of the Hillsborough Community College Business Advisory Board and she is an ambassador for Working Women of Tampa Bay. In 2019, due to her investments in the community and having built strong relationships with the local County Commissioners, she was appointed to the Hillsborough County Citizens Advisory Committee.

She is a candidate for Hillsborough County Commission District 1 in the 2020 election, and in her spare time Jen enjoys riding her beach cruiser on Bayshore Boulevard with her two Yorkies in the basket.

Meet our Faculty!

Dr. Carla Jackie Sampson, MBA, FACHE

This semester, Professor Sampson teaches Healthcare Financing and Information Technology, Health Systems Organization and Development, and Healthcare Organizational Leadership and Strategy (HCM 3502, HCM 5101, & HCM 5102). She is also the Director of Healthcare Management Programs.

Fun fact: Professor Sampson sometimes sneaks food into events because she's vegan and gluten intolerant. She's also a fairly decent mixologist!
