Meet our Faculty!

Krupa S. Viswanathan, ASA, PhD

This semester, Dr. Viswanathan teaches Actuarial Probability and Statistics I, Theory of Interest, and Actuarial Modeling II. She is also the Academic Director of the Actuarial Science Program.

Fun fact: When she was in elementary school, Dr. Viswanathan played Pac-Man non-stop, skipping meals and sleep, until she reached one million points. She also loves baking, especially cookies, cheesecakes, and fruit tarts.

The Communications team would also like to thank Dr. Viswanathan for giving us the idea for this addition to Risky Business!
