## Congratulations, Sigma Chapter!

The officers of the Gamma Iota Sigma, Sigma Chapter, were in Dallas, Texas at the 48th Annual Gamma Iota Sigma International Conference from Wednesday, September 25, 2019 to Sunday, September 29, 2019. The Sigma Chapter received **International Chapter Awards** for all 6 categories: **Alumni Relations, Chapter Management, Community Service, Diversity & Inclusion, Membership Development, and Public Relations**. In addition, the Sigma Chapter, along with 6 other chapters, was recognized as a **Superior Chapter**. The Sigma Chapter also won **5 Black and Gold Awards**, which recognizes new projects and programs that are considered creative and successful only through extensive planning and organization participation. These awards were given for the **Charity of Choice Video, Healthcare Management Career Development Committee, Liaison Announcement Distribution, and This Week In Series**. Additionally, **Emma Sweeney** (Class of 2020), Vice President of Community Affairs, was awarded the **Elizabeth Lange Award**. Finally, **Larry Lewis** (Class of 2019), previous Vice President of RMI Career Development, won the **Alan C. Williams Leadership Award**. The Sigma Chapter is proud to be recognized for its achievements and is appreciative of all its supporters: faculty, the Fox School of Business, and especially its members.

## H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES

**Craig Janino, ASA**  
East Regional Leader, Health and  
Benefits at Willis Towers Watson

Wednesday, October 2, 2019, 12:00pm-12:50pm, Alter Hall 031

Craig Jannino is the East Region Leader for Willis Towers Watson's Health and Benefits Consulting business with responsibility for successful client relationships and colleague engagement across nine offices on the East coast. In addition, Craig is a Health and Benefits senior consultant working on numerous health and welfare projects encompassing strategy, plan management, implementation, and employee engagement.

In addition, Craig helps clients devise their ongoing benefit strategies, including the design, administration, funding, communication and compliance of their employee benefit programs. Craig also has significant experience with designing wellbeing programs with associated incentives. Additionally, Craig has deep expertise in designing and implementing group marketplaces for employers across market segments to meet the diverse needs of various employers.

Craig joined Willis Towers Watson in 1998. Prior to that, Craig worked as a group health actuary at a large insurance company in Boston. In addition, Craig spent two years as an internal benefits manager in the Human Resources department of an international, Boston-based property and casualty insurance company.

Craig holds a B.S. degree in mathematics from Northeastern University and is an Associate in the Society of Actuaries.

## Meet our Faculty!

Jeffrey Zheng, FCAS, FSA, CPCU, CPA

This semester, Professor Zheng teaches Probability & Statistics I and II (AS 1501 and AS 2101). He is also the Property and Casualty Actuary on Staff.

Fun fact: Professor Zheng loves traveling and playing board games in his free time. He also helped bankrupt MoviePass when it came out by watching a ton of movies.
