### LETTER FROM THE EDITOR

Hello Readers!

I am sad to see my time as your *Risky Business* editor come to an end. Bringing you the Gamma news each week has been something that I have truly enjoyed doing this past year. At the same time, I am excited to graduate and start my career at Towers Watson; and I know that my successor will do a superb job communicating with you each Mon-

day.

To everyone graduating this semester - congratulations! And to all of you who still have some left time at Temple, I urge you to get involved with Gamma and take advantage of the opportunities available to you. At the risk of sounding like Dr. Drennan, we really are spoiled at the Sigma Chapter - so take full advantage

of it!

As a final note, to all of my friends, my family, and my mentors who have helped me the past four years - Thank You!

Sincerely, Laura

### A FEW WORDS FROM THE PRESIDENT

It has been an honor and a pleasure to serve as your president this semester. We had some great times and a lot of fun, and I wish all of you much success in your endeavors. Thank you for all the wonderful memories!

All the Best, Diane
