Risk Manager on Campus Program

The Risk Manager on Campus (RMOC) Program is sponsored by the Spencer Educational Foundation. This year, the Sigma Chapter will be hosting Pam Rogers through the RMOC Program.

The goal of the program is to bring a practicing Risk Manager to campus to interact with students in classes, lectures, and receptions. Pam will attend several meetings and participate in discussions throughout her time at Temple. Her stay will also include her presentation as the H. Wayne Snider Distinguished Guest Lecturer on Wednesday and her attendance at our traditional luncheon following the meeting. Students can attend a virtual meeting with Pam during the following dates and times:

Monday, March 29th, 2021 from 5:00PM-6:00PM

Tuesday, March 30th, 2021 from 12:30PM-1:30PM

Wednesday, March 31st, 2021 from 1:00PM-1:45PM

Sherry Chan
Chief Actuary of the City of New York

Chosen unanimously by New York City elected officials and union presidents in the Spring of 2015, Sherry Chan is the 5th Chief Actuary in the 100+ year history of New York City and one of the highest ranked Asian-American officials in the City's administration. Highly respected as the "Key Guardian of City's Fiscal Health" for the 4th largest US public retirement system, Ms. Chan is a visionary Chief Actuary with approximately 20 years' progressive leadership in process improvement, relationship management, financial analysis, staff development, business strategy, and operations.

In her role, Ms. Chan provides technical expertise to the City's five retirement systems and pension funds – school administrators, teachers, firefighters, police officers, and other public employees – with approximately 800,000 active and retired members and over \$200 billion of assets. Ms. Chan certifies the \$13 billion annual required pension contributions for these retirement systems and pension funds, ensuring accuracy, and oversees a City agency with a professional staff who has decades of experience in and out of City service.

Ms. Chan previously served as the Chief Actuarial Officer for the Ohio Public Employees Retirement System and as Chief Actuary for the State Teachers Retirement System of Ohio, the two largest state pension systems in Ohio with assets of approximately \$100 billion and \$80 billion, respectively.
