## A Message From President Finian O'Brien: Farewell Spring 2021!

Dear Members,

-----As a year that no one saw coming comes to a close, a constant we could all expect (outside of a meeting every Wednesday) was your continued growth and development into young professionals ready to take on the industry. Thank you for allowing me to serve as President over the past year, it is truly an honor to lead such a strong organization filled with passionate members. I hope you took advantage of the diverse array of guest lecturers we hosted from all parts of the world, to expose yourself to the international risk world. Those of you who made Sigma Chapter history by attending a virtual career reception, thank you for working with us as we all adapted to a new environment. Hosting one reception in a new format would have been challenging, but the incredible work ethic of our officers allowed us to host three successful receptions.

-----Graduating students, I am sure this is not what you expected your senior year to look like when you entered college, yet I know you will only emerge from the adversity of the past year stronger than before. I look forward to following all of your paths in the future and hearing of all the success you achieve. Please continue to stay engaged with the Sigma Chapter, the RIHM Department, and the Fox School of Business as alumni through the Alumni-Student Mentorship Program, donations, or returning to speak at a committee meeting.

-----To the faculty and staff of the RIHM Department, you all play a large part in the success of this organization through your ability to instruct and motivate students. Thank you for being so supportive of everything we do as a chapter and serving as mentors for so many students.

-----Looking ahead to next year, I am excited to continue as president of the Sigma Chapter along with Shelby Green, who will be Executive Vice President. As of now, it seems we will be virtual in some format, yet there should be plenty of opportunities to interact with your fellow peers come the Fall semester. I look forward to seeing the new heights the Sigma Chapter and all of our members will reach next year.

I hope you all are able to enjoy a well-deserved summer!

Fraternally yours,

Finian O'Brien

President, Gamma Iota Sigma – Sigma Chapter

Fox School of Business, Actuarial Science, Class of 2022

## First Organizational Meeting of Fall 2021

Our first organizational meeting of the Fall 2021 semester will be taking place on Wednesday, September 1, 2021, from 12:00PM-12:50PM. More information will be provided as the fall semester approaches.
