Bob Kelly
News Anchor

Bob Kelly joined the FOX 29 News team in October 2014 as the traffic reporter for "Good Day Philadelphia." In that role he also hosts the regular morning segments "Kelly's Classroom," "Breakfast with Bob," and "Town Takeover," all which take him out into the community to connect with "Good Day Philadelphia" viewers. He's also co-hosted the Philadelphia St. Patrick's Day Parade for more than 15 years.

Prior to joining FOX 29, Bob was the Traffic Anchor for 13 years at CBS 3 in Philadelphia. He became the first Philadelphia traffic anchor to do his reports in front of the green screen. Animated and fun to watch with his highly popular phrases like Jammo, Two Jelly Donut Delay, and the Conshy Curve, Bob is now referred to by so many as "The Dean of Traffic."

Through the years, the Emmy Award-winning Traffic Anchor has entertained sports fans on the Jumbotron at the Eagles, Flyers and Sixers games, and with his popular segment "Tailgate Takeover," before Eagles

games.

Growing up in Northeast Philadelphia where they always decorate for Christmas, he created "A Very Kelly Christmas," hitting the road during the month of December and broadcasting LIVE from the front lawns of the best decorated houses.

Bob began his career as a radio disc jockey, working with Jerry Blavat, The Geator. He worked up and down the dial at Philly's hottest radio stations, until traffic became news and he joined KYW News Radio with Traffic on the 2s. A Northeast Philadelphia native, Bob knows all the neighborhoods, the landmarks, and the best place to get a great jelly donut. A graduate of North Catholic High School and Temple University, he is a local guy through and through.

Charity of Choice

The Sigma Chapter of Gamma Iota Sigma's Charity of Choice for the 2021-2022 school year is the Gift of Life Family House. The family house serves as a "home away from home" for transplant patients and their families by providing temporary, affordable lodging, and supportive services to those who travel to Philadelphia for transplant-related care.

The Sigma Chapter has supported the Gift of Life Family House over the past ten years. In 2012, our organization raised \$25,000 for the Family House in memory of Eric Smith (Class of 2011) and Kevin Kless (Class of 2010), graduates of the Fox School's risk management and insurance program who died within seven months of each other and donated their organs to save the lives of others. In 2019, The Sigma Chapter raised an additional \$13,000 for the Family House. This year, all donations are in memory of Sigma

Chapter alumni Kevin and Eric.

If you are interested in donating to the Gift of Life Family House, please Venmo @sigmachapter. The payment description should consist of your email and 'Charity of Choice'. We need your support to reach our \$10,000 donation goal for the 2021-2022 academic year!
