Risk Management | Insurance | Actuarial Science

H. Wayne Snider Distinguished Guest Lecturer Series

Wednesday, February 9, 2022
12:00 p.m. - 12:50 p.m.
Alter Hall A031, A032, A033

Shannon Groeber
Executive Vice President
CFC Underwriting, Ltd.

Shannon runs CFC's admitted platform, CFC USA. The admitted platform provides Cyber policies to US-based SME's, produced from a single data point within minutes. The best-in-class admitted product is supplemented with a full suite of Risk Management services and an award-winning Incident Response mobile application.

Prior to joining CFC, Shannon spent 12 years as a Cyber Liability and Errors & Omission broker, providing a full range of placement and advisory services to clients across all industries. In that role she assisted clients with identifying complex areas of risk through exposure identification and assessment, helped them prioritize areas of risk and created solutions for risk financing and balance sheet protection. She has held roles at Aon, Lockton and JLT Specialty/Marsh.

Shannon began her insurance career as an underwriter, spending nearly five years focusing on MPL and Technology E&O. It was at that time that Cyber Liability had just been introduced to the market, allowing her to focus on the product in its infancy, and having influence over the evolution of the product throughout the various phases of her career.

Shannon holds a BA from Gettysburg University, and has been recognized for her contributions to the industry throughout her career. She is a 2017 Women to Watch Honoree as named by Business Insurance; a 2018 Power Broker as named by Risk & Insurance; and a 2021 Elite Women Honoree as named by Insurance Business America. She is a frequent speaker and panelist at industry conferences and events, as well as contributor to publications and reports.

Valentine's Day Gamma Grams

The Sigma Chapter is selling **Valentine's Gamma Grams** to benefit our Charity of Choice, the Gift of Life Family House! Our Valentine's Gamma Grams are a great way to say Happy Valentine's Day to your Gamma Valentine or surprise a friend in their Risk Management &

Valentine's Gamma Grams feature a lollipop and note card to write a message to the recipient. They will be sold from **Thursday, February 3, 2022, until Friday, February 11, 2022**, in the Gamma office (Alter 601c) and through this **Form**.

Grams will cost **\$1 for 1 or \$5 for 6**, and all proceeds will go to our Charity of Choice, the Gift of Life Family House.

Gamma Grams will be distributed in Risk Management & Insurance and Actuarial Science classes the week of February 14, 2022. Because they are being distributed in classes, it is important to **know the classes you would like your Grams delivered to at the time of purchase**.

Charity of Choice

The Gift of Life Family House serves as a "home away from home" for transplant patients and their families by providing temporary, affordable lodging, and supportive services to those who travel to Philadelphia for transplant-related care.

The Sigma Chapter has supported the Gift of Life Family House over the past ten years. In 2012, our organization raised \$25,000 for the Family House in memory of Eric Smith (Class of 2011) and Kevin Kless (Class of 2010), graduates of the Fox School's Risk Management & Insurance program who died within seven months of each other and donated their organs to save the lives of others. The \$25,000 raised by our organization in 2012 went towards a guest room at the facility. In 2019, The Sigma Chapter raised an additional \$13,000 for the Gift of Life Family House.

This year, your donations will help support the Adopt-a-Family Program, which seeks to cover the \$40 cost per night to families staying in the Family House, ensuring that no family is turned away due to an inability to pay. All donations are in memory of the 10th anniversary of donating to the Gift of Life Family House in honor of Eric (Class of 2011) and Kevin (Class of 2010). So far we have raised \$4,631 during the Fall 2021 semester and we need your support to reach our \$10,000 donation goal for the 2021-2022 academic year!
