A Message From President Finian O'Brien: Welcome Back Spring 2022!

Dear Members,

I hope that you were able to relax and enjoy your time off over break! As we begin a new year, in another modified setting, the Sigma Chapter is excited to put together a semester of events. With the semester starting online we will be delaying our First Organizational meeting until we can meet in person. We are looking forward to welcoming back returning members and introducing new members to the Sigma Chapter.

Another semester of executives from across the industry will be presenting as part of the H. Wayne Snider Distinguished Guest Lecturer Series. All members will be invited to attend the luncheons following these meetings. Our four committees (Actuarial Science Career Development, Risk Management and Insurance Career Development - Property & Casualty, Risk Management and Insurance Career Development - Employee Benefits, and Community Affairs) have planned a terrific slate of meetings and events for all members, and I encourage you to take advantage of these opportunities. Intern candidates will be able to attend the Risk Management Intern Career Reception and complete the famed Road to the Resume Book.

The next rendition of Gamma Games will occur this semester, allowing members to showcase their athletic prowess and connect with other members. Other social events during the semester will let you meet more of your fellow

future risk managers and actuaries.

If you have any questions, feel free to let me know! I am excited to begin another semester as Sigma Chapter president.

Fraternally yours,

Finn

Finian O'Brien

Picture Day

Picture Day for all RMI, Actuarial Science, and Healthcare Management Majors will be on **Friday, February 4, 2022**. This is the **ONLY DAY** the photographer will be here this semester.

You **DO NOT** have to be a dues-paid member of Gamma Iota Sigma to have your picture taken.

Professional Photos in Business Professional

Pictures will be taken by a professional photographer and used to generate a member's yearbook and for various displays including scholarship, internship, and exam passers. These displays can be found on our website, www.sigmachapter.org, and throughout the Department.

We are asking **ALL** majors in RMI, Actuarial Science, and Healthcare Management to be involved in this project. This includes undergraduate as well as graduate students.

Charity of Choice

The Sigma Chapter of Gamma Iota Sigma's Charity of Choice for the 2021-2022 school year is the Gift of Life Family House. The family house serves as a "home away from home" for transplant patients and their families by providing temporary, affordable lodging, and supportive services to those who travel to Philadelphia for transplant-related care.

The Sigma Chapter has supported the Gift of Life Family House over the past ten years. In 2012, our organization raised \$25,000 for the Family House in memory of Eric Smith (Class of 2011) and Kevin Kless (Class of 2010),

graduates of the Fox School's risk management and insurance program who died within seven months of each other and donated their organs to save the lives of others. In 2019, The Sigma Chapter raised an additional \$13,000 for the Family House. This year, all donations are in memory of Sigma

Chapter alumni Kevin and Eric.

If you are interested in donating to the Gift of Life Family House, please Venmo @sigmachapter. The payment description should consist of your email and 'Charity of Choice'. We need your support to reach our \$10,000 donation goal for the 2021-2022 academic year!
