Risk Management and Insurance Internship Reception

February 28, 2018

The Sigma Chapter of Gamma Iota Sigma held its annual Internship Reception on **Thursday, February 22, 2018** in the 7th Floor MBA Commons of the Fox School of Business. Attendees of the reception are Risk Management and Insurance students graduating after Spring 2018 and looking for an internship for Summer 2018. In order to attend the reception, each student had to fulfill all steps in the “Road to the Resume Book” process, which included attending multiple workshops in professional and career development. Over 190 members of the Sigma Chapter had the opportunity to meet with recruiters from 44 different companies between 1:00 pm and 6:00 pm in one of two sessions. The continued success of the Sigma Chapter’s Intern Reception would not be possible without the time and effort of both the Career Development and the Professional Development teams.
