### Students inducted into Sigma Chapter Honorary Societies

*February 8, 2017*

Students in the Actuarial Science and Risk Management and Insurance major are to be inducted into one of the two honorary societies within the Sigma Chapter at this year's upcoming Gamma Gala on April 28, 2017. These societies aim to highlight those students in the Sigma Chapter's Student Engagement Program who are exceptionally dedicated to their education both in and out of classroom.

The Sigma Chapter began the Student Engagement program in the Spring of 2015 as a way to reward Risk Management and Insurance and Actuarial Science students who are taking the initiative to further develop their professional and personal self by participating in career development, academic and community involvement, exam progress, and networking events. This semester, we had over one hundred and fifty students participate in the program.

Thirty-one members in the Actuarial Science major will be inducted into the Glendenning Honorary Society and eighteen members in the Risk Management and Insurance major will be inducted into the H. Wayne Snider Honorary Society. We are proud to recognize these students for their outstanding involvement in the Sigma Chapter.
